Granbury JazzFest

Dear Sponsor,

Thank you for your interest in sponsoring the upcoming Granbury Jazz Fest!

We on the Granbury Jazz Fest Committee are very excited to receive your support of this great event that will bring jazz music to Granbury!

We want you to be involved in sponsoring the boutique, immersive, jazz experience in Granbury, TX on February 26, 2022.

But first, let's talk a little bit about what we are looking to do here in Granbury with this event.

Why are we creating a jazz festival for Granbury?

Boutique, immersive, unique, new.

These are words that conjure up images of intimate, soulful, and moving music experience that supports the development of close relationships between an event and an audience. In launching the Granbury Jazz Fest, we want your sponsorship support to make this vision possible.

There is an enormous opportunity to encourage the growth and development of diversity and culture in Granbury and the surrounding area. In launching the Granbury Jazz Fest, we want you to walk alongside us to make this vision of a culturally diverse Granbury possible.

Granbury JazzFest

We love Granbury!

From its river to its restaurants, there is an exploding number of economic and cultural opportunities to support the local Granbury community!

In launching the Granbury Jazz Fest, we want to create a premier event in the North Central Texas region that, with your generous help, has the potential to be as big as any music festival in the North Central Texas region.

We have locked in our date, February 26, 2022, and time, 11 am- 7 pm. We have confirmed our stage locations of Granbury Square Plaza, Hewlett Park, and the Langdon Center. Please see our attached flyer for stage sponsorship levels and more details.

If you'd like to sponsor our event, please let us know.

Send us an email with the subject line: GRANBURY JAZZ FEST SPONSORSHIPS AND FUNDING.

Sincerely,

Jesan & Brigit Sorrells
